Subject: [External] Class C Charter Top Hat Limousine Transportation and Concierge Services LLC

Hi,

We just received our Class C Charter from ORS with PSC approval.

We made a typographical error and checked the 1-7 passenger box instead of the 14 passenger box.

Our Fleet consists of

2021 Lincoln Navigator - 7 passenger + driver
2020 Lincoln Nautilus - 4 passenger + driver
2019 Mercedes Sprinter - 14 passenger + driver

We are purchasing a 2015 Lincoln MKT Stretch Limo - 8 passengers + driver.

Our US DOT number is 3873822 and is approved for 9-14 passengers + driver.

Would you please approve the Class C Charter change for us to accommodate up to 14 passengers + driver?

Thanks in advance,

Kevin Kennedy
